**Picture Preparation Instructions:**

1. Decide the order you want your pictures to appear in the video presentation.
2. Fill in the video log table below.

3. Assign captions you want for any picture. (It's best not to caption every picture – just ones you really want to highlight) and write them in the table as well.
4. Decide what music you would like as a background.
5. Upload pictures into the media fire sharing folder as described in the document "Picture Sharing Instructions"
6. Decide if you want a DVD shipped to you, or alternately if you would like a YouTube version only.
7. When this form is completed, "save as" "yourname-petname.pdf" and send back to us by return email to: pawsitivelysharingpics@gmail.com.
